PRECINCT WARRANT

STATE OF NEW HAMPSHIRE

To the Inhabitants of the Hillsborough Bridge Village Fire Precinct in the Town of Hillsborough, qualified to vote in Precinct Affairs:

You are hereby notified to meet in Precinct Hall in said Precinct on Monday, the fourteenth day of March, 1921, at seven of the clock in the afternoon, to act upon the following subjects:

1. To choose a moderator for the ensuing year.
2. To choose one or more water commissioners to serve five years.
3. To choose one fire commissioner to serve three years.
4. To choose a treasurer, clerk, auditors, and other necessary precinct officers for the ensuing year.
5. To hear the report of the fire commissioners, water commissioners, treasurer, clerk, auditors, and other officers and committees heretofore chosen, and to pass any vote relating thereto.
6. To see if the Precinct will vote to raise and appropriate the sum of six hundred dollars (\$600) necessary to run the sprinkling cart for a period of twenty weeks or more.

7. To raise such sums of money as may be necessary for paying the current expenses of the Precinct, the debt of the Precinct, and any other charges arising within said Precinct.

8. To see if the Precinct will vote to purchase a Motor Combination Chemical and Hose Car, appropriate any money for the same and pass any vote relating thereto.

9. To transact any other business that may legally come before the meeting.

Given under our hands this twenty-sixth day of February, in the year of our Lord, nineteen hundred and twenty-one.

JOHN B. TASKER,
JOHN H. GRIMES,
DANIEL W. COLE,
Board of Fire Commissioners.

REPORT OF FIRE COMMISSIONERS

The chief engineer reports thirty-five calls on the fire department during the year—five being bell alarms. All loss fully covered by insurance.

It will be necessary to purchase about five hundred feet of new hose, and probably the matter of motor apparatus will be up for discussion.

It would seem best, however, to take a little breathing spell after the constant advances of the past three years, or pay more attention to reducing the outstanding notes against the Precinct.

TOWN DISTRICT WARRANT

STATE OF NEW HAMPSHIRE

To the Inhabitants of the Town School District of the Town of Hillsborough, qualified to vote in district affairs:

You are hereby notified to meet at the schoolhouse at the Lower Village, in said district on the tenth day of March, 1921, at two o'clock in the afternoon to act on the following subjects:

1. To choose a Moderator, a Clerk, and a Treasurer, for the ensuing year, and a member of the School Board for the ensuing three years.
2. To hear the reports of agents, auditors, and committees or officers heretofore chosen, and to pass any vote relating thereto.
3. To determine the salaries of the School Board, Truant Officer, Treasurer and any other officers.
4. To see if the district will vote to raise and appropriate the amount of money necessary to secure State Aid, in addition to High School Tuitions, officers salaries, and amounts necessary for repairs.
5. To choose agents, auditors and committees in relation to any subject embraced in this warrant.
6. To transact any other business that may legally come before said meeting.

Given under our hands at said Hillsborough this eighth day of February, nineteen hundred and twenty-one.

HENRY W. ADAMS,
LEONARD T. MARTIN,
LOTTIE B. HARVEY,
School Board.

REPORT OF TOWN SCHOOL BOARD

To the Inhabitants of Hillsborough:

The School Board of the Town School District respectfully submits its annual report with that of its Treasurer, Superintendent and Auditors.

The District has maintained six schools during the past year with an enrollment of more than ever before.

All these schools with faithful, conscientious teachers have done excellent work.

Parents, who have followed the advise of the School Physician, Dr. Kelso, in regard to their children, have found them greatly benefited.

Vaccination always cause much disturbance during the School Year and we earnestly urge every parent to attend to the matter during the summer vacation.

During each vacation schoolhouses were cleaned and some of the most necessary repairs made, but there is much more that ought to be done when help is available.

At the close of the schools in June, the usual graduation exercises were held at the Lower Village Chapel, there being four graduates, all except one of whom are attending High School in the Special District.

In addition to the \$5 tax on each \$1,000 of the ratable estates required by law necessary for State Aid the following amounts will be needed for the year 1921-1922:

| | |
|----------------------|----------|
| High School Tuition, | \$600.00 |

REPORT OF THE SUPERINTENDENT OF SCHOOLS.

To the Hillsborough Town School Board:

Herewith is respectfully submitted the report of the Superintendent of Schools for the year 1919-1920.

All schools except the Center School opened on Sept. 8, that school opened Sept. 22, because the teacher, Miss Frances Barnes, did not return to town until that time.

Miss Elizabeth Thompson returned to the Flat School. Mrs. Deborah Brown was transferred to the Lower Village. Miss Edythe Crooker returned to the Upper Village as did Mrs. Mellen, to the Goodale school, Miss Frances Barnes was given charge of the Center School and Miss Ida Phelps began at the Merrill School.

Only one change of teachers was made during the year, and that was in the Merrill School, at the close of the fall term, on Dec. 19th, after fourteen weeks of school. Miss Phelps was transferred to the school in Deering Center at a slight increase in salary, and Miss Mary E. Devoy took up the work at the beginning of the winter term, and taught 13 weeks, her resignation taking effect on April 30, and because no teacher could be found, the school was closed for the remainder of the year, and the children attended school elsewhere.

The percentage of attendance was very low, varying from 79% in the Merrill School to 91% at the Center. Measles, scarlet fever, mumps, and very severe winter weather were the causes of their poor standing, and it is very probable that the average attendance will be far better this year. The smallest school was at the Flat, with an enrollment of 11, and the

largest school was at the Lower Village with an enrollment of 31.

The number of visitors has been added to the statistical table this year, in order to call attention to the small number of visits made to our schools. Of the total 290 visits, 99 were made by the superintendent, and 2 by members of the school board, so that parents and friends made only 189 visits to these 6 schools, even including special day programs arranged by the teachers. A large number of visitors would encourage both the pupils and the teachers. School garden work and the teaching of thrift were emphasized during the year. The children contributed to a fund to pay for a memorial gift to France.

The regular school work has been well done, and those who were graduated from the eighth grade have done well in their high school work. Special attention has been paid to the ventilation of the school rooms, and dramatization a form of relaxation which is also of mental benefit, has been well done, especially in our lowest grades. The work done in music in the schools having an organ makes one hope that soon every one of our schools may be supplied with some form of a musical instrument. A phonograph of some standard make, is a wonderful addition to any school.

In one room of 22 pupils in an adjoining district, 9 pupils were not absent or tardy, at all during the whole year, but of our 101 pupils, not one was present every day for the whole year. There was more sickness in this district, it is true, but still our record should have been better than it was.

At the end of the year there was an exhibition of the work done by the pupils. It was displayed in the Lower Village Chapel at the time of the Graduation Exercises, and was in many ways a fine exhibition, but it is our intention to have a larger part of the work hereafter consist of daily exercises in history, arithmetic, geography, etc., rather than so large an

amount of drawing. Drawing as well as other art work is interesting, valuable and attractive, but its part in such exhibitions is too often out of proportion to its real importance.

We are grateful to the teachers for their sincere and untiring efforts, and to the School Board, for its willingness to attend to school matters at any and at all times, often at some personal inconvenience, and we close by urging parents and friends of the school to become more frequent visitors.

Respectfully submitted,
A. A. HOLDEN,
Supt. of Schools.

SPECIAL SCHOOL DISTRICT WARRANT

STATE OF NEW HAMPSHIRE

To the Inhabitants of the Special School District in the Town of Hillsborough, qualified to vote in district affairs:

You are hereby notified to meet in the schoolhouse in said district on Friday, the fourth day of March, 1921, at seven of the clock in the afternoon, to act on the following subjects:

1. To choose a moderator, clerk, and treasurer for the ensuing year, a member of the Board of Education for the ensuing three years, and any other necessary district officers.
2. To hear the reports and recommendations of the Board of Education and committees heretofore chosen and pass any vote relating thereto.
3. To raise such sums of money as may be necessary in addition to the amount required by law for the support of schools, repairs on buildings, and any other necessary charges arising within said district.
4. To choose auditors, agents or committees in relation to any subject embraced in this warrant.
5. To transact any other business that may legally come before said meeting.

Given under our hands this twelfth day of February in the year of our Lord nineteen hundred and twenty-one.

GEORGE W. HASLET,
CHARLES S. PERRY,
DELMONT E. GORDON,
Board of Education.

SPECIAL SCHOOL DISTRICT—REPORT OF BOARD OF EDUCATION

We present herewith financial and statistical reports for school year ending August 31, 1920, with estimate of amount required for next year.

We are in urgent need of more room for our schools. As you will see by the statistical report, some of our rooms were very much overcrowded, and at the present time the condition is even worse than in the year reported. A new building to accommodate a part of the present school, preferably the High School, should be built. We are reluctant to recommend such a building at this time on account of the excessive high cost of building, but it should be undertaken by another year.

BUDGET

| | Elementary | High |
|--|------------|------------|
| For support of schools, | \$6,500.00 | \$6,000.00 |
| For purchase of text books and supplies, | 600.00 | 200.00 |
| | \$7,100.00 | \$6,200.00 |

Estimate of amount of a \$5 tax on the

1921 inventory, \$5,800.00

We recommend that there be assessed the following sums:

For Elementary Schools, a \$5 tax

For High Schools, \$6,000.00

Total amount to meet above budget, \$12,000.00

Per capita tax, 500.00

Payment of interest, 180.00

REPORT OF THE SUPERINTENDENT OF SCHOOLS.

To the School Board of the Hillsboro Special School District:

Herewith is respectfully submitted the report of the Superintendent of Schools for the School year 1919-1920.

Never has there been a year with more apparent unrest among teachers than during that year, with the result that when the fall term began, there were three new teachers in the High School and no teacher for the seventh and eighth grade room. Mrs. Lottie Harvey and Mrs Josephine Gordon, at some personal inconvenience, substituted until January, 1920, when Miss Esther E. Crosby was engaged.

Mr. R. J. Anderson, a graduate of Amherst College, with a short experience in teaching, became the High School Principal, Miss Laura L. Newell became the teacher of English, Latin, and History. Miss Dorothy Cambridge was chosen teacher of Domestic Science and French. Miss Blanche Totman, the only teacher of 1918-1919 who returned to us, continued to teach the Commercial Course. Before the opening of the present year, Mr. Anderson, Miss Totman, Miss Cambridge, and Miss Arnaud obtained other positions. A long tenure of office among the teaching force is of considerable advantage in a school system; and for that reason, other things being equal, it is better to engage those that live in or near the school district, because, as may be noticed by examining the statistical tables, those are the teachers that remain with us longest. In the grades, we have had no change for some time among those teachers who are permanent residents of

Hillsboro, and the children are reaping the benefit of a well worked out plan through the grades, and a co-operation which is a matter of slow growth.

Miss Arnaud's place was taken by Miss Susie Maxwell of Antrim. Mr. Nelson S. Mitchell became the High School Principal in September, 1920. Miss Emily Woodbury teaches French and Domestic Science. Miss Evelyn Hill, a graduate of the Bay Path Institute, took charge of the Commercial Work. Miss Sarah Baker continues with us as the drawing teacher, Miss Florence Lee was elected teacher of music, but obtaining a flattering offer from the School Department of Washington, D. C., she resigned and Mrs. Doris C. Watkins, who was our music teacher in 1918-1919 when she was Miss Doris Colburn, finished out the year. Miss Lena Conant succeeded her in September, 1920. The last change among those who were connected with the school is that Mr. Charles Nelson, who has for some years served faithfully as Janitor and Truant Officer, resigned during the year and Mr. Frank Crosby was elected to that position.

The average attendance for the whole school was 90 per cent., which was not as high as could be desired, largely due to illness incident to the very severe winter. The best attendance was among the older pupils, who were not so susceptible to the so-called, children's distases. Both the High School and the seventh and the eighth grade room had an average attendance of 94 per cent.

Last year the enrollment in Mrs. Scruton's room was 67, and for 1920-1921, it has been 71, there being about twice as many children as one teacher should care for. However, in the present building there is no space for another room, even if those grades were separated.

Athletics is an indispensable adjunct in high school education, but without a gymnasium, or other hall, it is a difficult

proposition to have a basket ball team, the only form of athletics practicable for the winter term.

Following this part of the report are the usual statistical tables.

In closing this report, the faithful, painstaking service of the teachers is gladly noted, as well as the sincere interest and helpfulness of the members of the School Board. We urge parents and friends to become more frequent visitors to the school.

Respectfully submitted,

A. A. HOLDEN,
Superintendent of Schools.
